NJTTC COVID-19 SCREENING QUESTIONNAIRE

The safety of our players and members is our overriding priority. As the coronavirus (COVID-19) pandemic continues, we are monitoring the situation closely and following the guidance from the Centers for Disease Control and Prevention and local health authorities. In order to prevent the spread of the coronavirus and reduce the potential risk of exposure to our players and members, we are asking everyone to complete and submit this questionnaire prior to starting to play. Please do not enter the playing area until your responses have been reviewed and your entry has been approved.

Please respond to each of the following questions truthfully and to the best of your ability. Your participation is important to help us take precautionary measures to protect you and our other employees.
